Few are prepared for the trauma caused by discrimination, such as sexual harassment, college sexual harassment, pregnancy discrimination, age discrimination or racial discrimination. For this reason, The Harman Firm encourages the victims of discrimination to come forward with their claims, and to consult an attorney regarding their legal options.

Contact The Harman Firm to speak with an experienced New York employment law attorney. The staff at The Harman Firm will work on behalf of employees in diverse areas of employment law, including workplace discrimination, sexual harassment, whistleblower law, FLSA and class actions, as well as contract negotiations.

The Harman Firm prides itself on keeping abreast of changes in the field of employment law. Every day, we at The Harman Firm work to inform the public about the ever-changing nature of employment matters. Go to our blog for a discussion of current developments in employment law.
